

Elite Type-C 3.1

Get the most out of the Type-C port on your new computer or mobile device

Experience USB 3.1 SuperSpeed technology with transfer speeds up to 115MB/sec! It is ideal for easily storing and quickly transferring all your large documents, high-resolution photos, HD videos, and other digital content. Not only does PNY's new Elite Type-C USB 3.1 Flash Drive offer the same ease-of-use and plug-and-play capabilities as previous generations of USB technologies, it is also compatible with the newest Type-C host devices on the market. PNY's Elite Type-C USB 3.1 Flash Drive is designed with convenience and portability in mind. Because there is no up or down orientation, the Type-C USB is easier to use than ever before. Best of all, it is compatible across different operating systems such as iOS, Android, Windows, and Google, making USB Type-C a truly universal connection. This Elite Type-C USB 3.1 Flash Drive is small in size, but big on performance!
